Internal Service Providers: We may use third parties that we refer to as internal service providers to facilitate or outsource one or more aspects of the business, product and service operations that we provide to you and therefore we may provide some of your Personal Information, including your email address, directly to these internal service providers. These internal service providers are subject to confidentiality agreements with us and other legal restrictions that prohibit their use of the information we provide them for any other purpose except to facilitate the specific outsourced 2C MedTech related operation, unless you have explicitly agreed or given your prior permission to them for additional uses. If you provide additional information to an internal service provider directly, then their use of your Personal Information is governed by their applicable privacy policy.

Legal Requests: 2C MedTech cooperates with law enforcement inquiries, as well as other third parties to enforce laws, such as: intellectual property rights, fraud and other rights, to help protect you, other users, and 2C MedTech from bad actors. Therefore, in response to a verified request by law enforcement or other government officials relating to a criminal investigation or alleged illegal activity, we can (and you authorize us to) disclose your name, city, state, telephone number, email address, username history, and fraud complaints without a subpoena. Without limiting the above, in an effort to respect your privacy, we will not otherwise disclose your Personal Information to law enforcement or other government officials without a subpoena, court order or substantially similar legal procedure, except when we believe in good faith that the disclosure of information is necessary to prevent imminent physical harm or financial loss, or report suspected illegal activity.

Due to the existing regulatory environment, we cannot ensure that all of your private communications and other Personal Information will never be disclosed in ways not otherwise described in this Privacy Policy. By way of example (without limiting the foregoing), we may be forced to disclose Personal Information, including your email address, to the government or third parties under certain circumstances, third parties may unlawfully intercept or access transmissions or private communications, or users may abuse or misuse your Personal Information that they collect from the Site. Therefore, although we use industry standard practices to protect your privacy, we do not promise, and you should neither rely upon nor expect, that your Personal Information or private communications will always remain private.
